Congratulations on the upcoming baptism of your child! As you go through the baptismal preparation process you will learn more about this great sacrament that your child will receive.

The Sacrament of Baptism is the incredible gift from God by which we are recreated anew in Jesus Christ as sons and daughters of God, the Father. In baptism we become part of the Body of Christ, the Church. As such, baptism is not just a special day for your child and his/her immediate family. Each baptism is a celebration for the entire parish community and the universal Church.

Our monthly baptisms gather the children of our parish together so that we can truly celebrate the sacrament as a community and welcome the newly baptized into that community. We also proudly announce the newly baptized each month in our bulletin so that our whole parish family can share in your joy and lift up your child in prayer.

Thank you for hearing God's call to request the gift of baptism for your child. May God's grace and blessing be with you in the years ahead as your assist your child in bringing this gift of faith to maturity, so that they may truly live a life of discipleship in this community of the faithful.

In Christ, Fr. Robert B. Borges Pastor
